Meeting Minuets:

The August meeting was called to order by club President Gil Buffkin at 6PM. Attending were 3 guest and 20 members. Gil is still looking for someone to take over the Librarian job. Contact Gil if interested.

New business discussed was the need for Christmas Ornaments for the tree at the First National Bank again this year. This is our yearly charity fund raiser for the club so lets get busy on the ornaments.

The meeting was turned over to Mike Elder, who was our auctioneer for this years tool auction. Thanks again Mike for a great job. \$756.00 was raised at this years auction. We, the officers, would like to thank everyone who donated items and especially those who bid on items, even if you didn't really need what you bought.

This newsletter will be short this month as I am going out of town the morning after the August meeting. I thought I had better not miss this meeting as I was scheduled for the refreshments.
