Notices:

I will try to publish the newsletter with-in one week after the monthly meeting if possible. If I am out of town that month, it may be more than a week. Please bear with me as I am new at This.

Meeting Minuets: The meeting was called to order at 6 PM by President Rod Smith.. A total of 18 members were present. Six new guest were greeted. A great talk was given by Jon Reiver on his class at John Campbell Folk School On Embellishments. A question and answer period was held. Rod brought up the new business and ideas for the coming year. Jon Reiver won the challenge of the month with his wafer wall hanging, made from a 12” 2 X 4. Various members talked about their gallery pieces. The raffle was held and the meeting was adjourned.

Monthly Demo: We didn't have an actual hands on demo this month but a very educational talk was given by Jon Reiver on various styles of embellishments. He passed around several pieces to show what he accomplished at the “John Campbell School” he attended earlier in January.

More Embellishments:

Monthly Challenge Items

Monthly Challenge winner

Gallery Items

Some Members and Guest

Safety Tip Of The Month: Safe and effective use of a wood lathe requires study and knowledge of proper machine operation, tool use and correct turning techniques. It is your responsibility to read and follow all warning labels and owner/operator manuals supplied with machinery, chucks, tools and other products.

February Challenge Of The Month:

A Plate or Platter with or without some type of embellishments.

APRIL: John Lucas

Treasures Report:

End of 2007 Balance
\$2149.55

NEXT MEETING

February 27, 2008
5 PM Social Hour
6 PM Meeting

More Notices:

The club is looking for someone to run the video camera during the meetings. If you would like to volunteer for this task, please contact the Club President, Rod Smith at 931-707-9896.

Rod would also like for me to mention that if anyone has a bar type stool, to bring it to the meetings. This would seat you up higher to be able to see the demo's better. We ask that you take it home with you after each meeting as Bill does not have room to store them in his shop.

Members, if you missed the January meeting, we are planning to have a Christmas Tree set up at the First National bank in Crossville this coming Christmas, with ornaments on it for sale and donate the proceeds to some charity (to be decided on at a later date). We would like to see EACH member to make at least two ornaments to put on the tree. We have ten months to accomplish this so it should be easy.
