MONTHLY PROGRAM

This month's programs was the annual Tool Auction. Everett was the auctioneer and Jack was the recorder. We had a load of stuff for the auction, everything from turning tools to printers & monitors. The club netted \$557, and one person's shop cleanout became another person's new tool. Thanks to everyone for making it a success.

CHRISTMAS PARTY

Date: Dec. 16 (Sat.)

Place: David Phillipe home

The party is set and each member was emailed a form to reply their intention on attending, and what they are planning on bringing. The club will be supplying the "main course" and each member is being asked to bring a dessert, salad, or appetizer.

If you haven't responded yet, please do so as soon as possible to help in getting a final count of attendance and food variety.

Tradition holds that we bring a gift to the party and we'll have a drawing for the exchange -- you have to bring a gift to be eligible to receive one! The gift does not have to be elaborate, and most of the previous gifts were a turning.

CLUB OFFICERS

We will be voting on next year's officers. Members should be ready to nominate their choices for all four positions at the November meeting.
