Ornament Sales Re-cap December 2020

Woodturners, we have exceeded the sales forecast for 2020, compared to previous years. There is no way that anyone could have anticipated the the outpouring of support from our community under the circumstances. We began the ornament sales season limited by the shutting down of the bank location. However, we sought other options including Dogwood Exchange headed by Angela Witzel, Village Green of Fairfield Glade, and the Buy Local event sponsored by the Art Guild of Fairfield Glade. These three locations provided the much needed exposure needed to sell the ornaments keeping our connection to the Crossville community maintaining the tradition established many years ago. A special thank you to all club members who contributed ornaments and staffed the sales table. A special thank you to Angela Witzel of Dogwood Exchange and her staff for supporting the sales effort in her location.
